The 'Resaro' table, also shown, is made of elm-burl-root veneer and cherrywood. There are six in various sizes, shaped like islands in the Stockholm archipelago. Prices from £1,440 approx. Ring 00 46 8 670 1600, or visit [svensktenn.se](http://svensktenn.se).

7 Bed down on an iron-and-brass antique like those at Umberto Pasti's Milan apartment (pages 96 and 105). A Barn Full of Brass Beds has an abundance of designs, such as this 'D23' double bedstead with brass knobs, c1870 (£1,495). Prices from £400 approx for a single. Ring 01507 358092, or visit [abarnfullofbrassbeds.co.uk](http://abarnfullofbrassbeds.co.uk).

8 Has the embroidered Fez cushion in Umberto Pasti's home (page 99) caught your eye? Try Guy Goodfellow's cotton/flax Jacquard 'Fez Weave', which comes in ten colourways and costs £178 per m. Ring 020 7349 0728, or visit [guygoodfellow.com](http://guygoodfellow.com).

9 An Orsina Sforza lamp made from objets trouvés sits on a desk in Umberto Pasti's bedroom (page 97). More of her one-off light sculptures – this one costs £2,000 approx – are available. Visit [orsinasforza-luci.com](http://orsinasforza-luci.com).

10 Antique Islamic tiles are used to great effect by Umberto Pasti (page 96). The Iznik Foundation's handmade reproductions can be used equally decoratively; its 'Naturalist' range, which includes this 'Tile 1', costs £125 approx per tile. Ring 00 90 212 287 3243, or visit [iznik.com](http://iznik.com).

11 A diversity of lampshades brightens Umberto Pasti's flat (page 96). Penny Morrison's vintage-fabric examples would look right at home. The 8-inch one shown here is made of vintage sari, and costs £342. Ring 020 7371 7787, or visit [redlothousefabrics.com](http://redlothousefabrics.com).

12 For something inspired by 16th-century collections of natural artefacts (page 118), try Angela Lorenz's book *The Theater of Nature or Curiosity Filled the Cabinet* (£25). It contains nine watercolours based on commissions by Aldrovandi and Manfredo Settala. Ring 020 7608 1333, or visit [bookartbookshop.com](http://bookartbookshop.com). ▷
